Indian Association of Veterinary Anatomists (IAVA)

invites you for

Mid-Annual Convention on

Discoveries and Innovations in Veterinary Anatomy:

The Inspiring Landscape that Provides the Scientific Understanding and Knowledge

(May 13, 2023)

Invitation

Dear Esteemed IAVAians,

We are highly delighted while inviting you on the auspicious occasion of Mid-Annual Convention of Indian Association of Veterinary Anatomists (IAVA) that is being organized on May 13, 2023 via online mode. The theme of this forthcoming convention is "Discoveries and Innovations in Veterinary Anatomy: The Inspiring Landscape that Provides the Scientific Understanding and Knowledge".

Department of Veterinary Anatomy & Histology, College of Veterinary and Animal Science, Navania, Vallabhnagar, Udaipur, is organizing this mid-annual convention of our Indian Association of Veterinary Anatomists. The digital devices have brought us together on one common platform even though physically we are at different places. Therefore, while having an advantage we are inviting your invaluable presence.

The fraternity of us comprising scientists, professionals, educationists, students and entrepreneurs will be on a common platform during this digital congregation. The scientific deliberations and interactions which will be held during this convention, certainly would help us to strengthen our landscape of the scientific knowledge and thereby the understanding after referral of the discoveries and innovations what we could see in veterinary anatomy.

The Organizing Committee extends a cordial invitation to all the mentioned concerned from the area of Veterinary Science to participate in the convention. The organizing committee of this Mid-Annual Convention of IAVA, 2023, we are eagerly looking forward to welcome you on digital connect.

Please keep yourself unengaged for May 13, 2023 and join us for the academic endeavour.

With Best Regards!!!!

Our University, the RAJUVAS

Rajasthan University of Veterinary & Animal Sciences (RAJUVAS), Bikaner is a constituent State Government University of Rajasthan State. The Rajasthan Government has brought this university on 13th day of May, 2010 with the Head Quarter at Bikaner. Presently it is being headed by Prof. (Dr.) Satish Kumar Garg as the Hon'ble Vice-Chancellor. At the moment, university have three recognized constituent veterinary institutions located at Bikaner, Navania (Udaipur) and the Jaipur. We are the multi faculty university as we have two constituent functional Dairy & Food Technology colleges located at Bikaner and Jaipur. The university has a reach in the complete State of Rajasthan after its 15 technology transfer units, the Pashu Vigyan Kendra and one additional ICAR funded KrishiVigyan Kendra situated at Nohar, Hanumangarh.

IAVA

Indian Association of Veterinary Anatomists (IAVA) is the registered society which got registered in the year 1983 at the office of Registrar of Societies, Nagpur. This mother organization is vibrantly working and being known for the sincere professional contribution across the globe.

About College

The College of Veterinary and Animal Science, Navania, Udaipur is the constituent institute of RAJUVAS, Bikaner since the inception of university. This was established as a constituent institution of Maharana Pratap University of Agriculture and Technology, Udaipur (MPUAT). The premises of the college are spread over an area of 892 Bighas (224 hectares) of land.

About Department

The department is enthusiastically involved in creating the interest and generosity in imparting the anatomical knowledge among students. The end user students are being encouraged for anatomical studies after handling a UDF Project, entitled Preservation and Articulation of Bones of Different Species of Animals to Enhance the Teaching Quality of Veterinary Education. The department is involved into the education of every tier system while educating the graduate, post graduate and doctorate students. The department is well equipped with laboratories and advanced instruments. Though the histology and histochemistry are the core area of our studies but we have joined the hands with Electron Microscope Facility, All India Institute of Medical Sciences (AIIMS), New Delhi so that we could enrich ourselves as the tool of studies in the age of progressive advancements.

Participation by departments

Across the country few veterinary institutions have successfully laid down the impact of their scientific contributions after their robust Anatomy Departments. These departments have brought the laurels after having created the well-established laboratory facilities. They successfully nurture the scientific temperament with conviction. Such departments are the inspiration for beginners and also to those who are in the mid of journey. Therefore, the organizers of this impending Mid-Annual Convention of IAVA requests all the departments to send their entries in attempt to show-case their deeds and the novel steps they have initiated. It will be handy to inspire the scientific temperament for coming time. It may be in the form of live tour of their department or in the form of PPT presentation. The write-up of the same may please be submitted so that few could be scrutinized for presentation.

Participation by individuals

All the participants who are desirous to join this up coming online Mid Annual Convention must send their abstracts on different topics with following sectional splits.

- Gross Anatomy, Anatomy of Wild & Zoo Animals, Avian Anatomy, Applied Anatomy & Biomechanics and Anatomical Techniques
- Histology & Ultrastructure, Histochemistry and Immunohistochemistry & Histoenzymology
- Forensic Anatomy & Archaeological Study and Biotechnology & Stem Cell Technology
- Developmental Anatomy Clinical Anatomy and Multi disciplinary Approach

The presenting first author of the paper must have the life membership of IAVA and he will be provided the maximum 5 minutes for presentation. The link will be provided by the organizers well in time.

Call for abstracts

Abstract(s) of research paper(s) with title, name of author(s), affiliations and research findings not exceeding 250 words, typed in 1.5 spacing, Times New Roman, font size 12, high lighting the presenting author by underline, must reach the Organizing Secretary on or before 5th May 2023 by an email on iava22udaipur@gmail.com. On the dearth of time, selected presentation will be allowed.
